

Seascape

1.

The sea, the sea, the green of the sea
The sky, the sky, the grey of the sky

The green of the sea
The grey of the sky

The noisy smash of the sea
The windy rush of the sky

The green, the grey, the grey, the green

The heaving heartless mass of the sea
The reckless reeling height of the sky
The sea, the sky, the sea

2.

The rocks, the rocks, the clutter of rocks
The birds, the birds, the scatter of birds

The salty rubble of rocks
The restless calling of birds

The rocks, the birds, the birds, the rocks

The misty domes of spray on the rocks
The hungry wheeling armies of birds
The rocks, the birds, the rocks

3.

The sky, the sky, the blue of the sky
The sea, the sea, the white of the sea

The blue of the sky
The white of the sea

The curving cast of the sky
The fearsome force of the sea

The blue, the white, the white, the blue

The vast and vacant hovering sky
The huge and ever towering sea
The sky, the sea, the sky
